

My Husband's Nuts Hits the Big Apple

Supermarket Guru has asked to take us to New York City where My Husband's Nuts will be featured on ABC's **The View**. Co-Hosts Barbara Walters, Whoopi Goldberg, Joy Behar, Elisabeth Hasselbeck and Sherri Shepherd along with over 200 audience members will receive complimentary packages of My Husband's Nuts provided by The Farmer's Wife.

My Husband's Nuts will make its national debut **Friday October 10th**. Check your local listing for air time.

Help Wanted! We want you to be able to have My Husband's Nuts at your fingertips but realize they may not be found in your community. Click **Help wanted** and let The Farmer's Wife take care of the rest. If your referral is added to our list of retailers your next order could be free. Please be specific and provide the store's-name, location(s), telephone, email and owner's/manager's-name.

As always we welcome your comments and almond recipes.

Don't forget to send in your photos with My Husband's Nuts. Visit our photo page to see your submission and others sent in by our nutty friends.
